The Center for Green Schools at USGBC presents Green Apple Day of Service

SEPTEMBER 26, 2015

The Green Apple Day of Service brings together hundreds of thousands of students, teachers, parents and others from around the globe to improve our school environments through local acts of service.

Have an idea for a community service project?

Get involved in this year’s Green Apple Day of Service. Host an event at your school and transform your community!

- Create a recycling station
- Tour a green school
- Plant a kitchen garden
- Organize an energy audit
